📁 Projects

Tindog

A website for cross-breeding of dogs consists of frontend web development only.

- The first project made using HTML, CSS, and basic javascript.

Drumkit

A webpage providing various sounds of a drum kit on clicking or keypress.

- Learned to connect javascript along with HTML and css.

Ping-Pong Score keeper

A webpage for keeping a record of scores of a ping-pong match.

- Changing real-time data following the user's response.

Healthy Habits

A physical health monitor keeping a check on the user's eating habits and suggesting changes in diet to lead a healthy lifestyle. Currently working on it.

- Learning to store user's data on backend and manipulate the data according to user's input.
- Learning to deploy the machine learning models on a website.

Web Trading App

A web-based paper trading app. Currently working on it.

- Getting knowledge in the field of finance, how trading works, and implementing the same in a web app.

📖 Courses

Web Developer Bootcamp

-By Colt Steele on Udemy

- For learning full-stack web development

DSA Self-Placed Course

-Geeks for Geeks

- For practicing Data structures and solving competitive problems.

DSA using C++

-by Abdul Bari on Udemy

- For learning basic concepts of C++ and data structures.

Ethical Hacking from Scratch

-By Zaid Saibh on Udemy

- For learning ethical hacking

🎸 Interests

Coding | Finance | Reading | VFX

Unplugged events | Animations

🎓 Education

B.tech

Sardar Vallabhbhai National Institute of Technology

2019 – 2023 | Surat, Gujarat

Senior Secondary

Rishi Galav Public School

2019 | Gwalior, M. P.

Matriculation

Oxford Public School

2017 | Gwalior, M. P.

🧠 Skills

Web Designing

● ● ● ● ●

Getting experience in web designing in frontend as well as backend using node.js. Looking forward to learning the react.js framework.

Coding

● ● ● ● ●

Proficient with C, C++, Python

Competitive programming

● ● ● ● ●

Learning Data structures currently using c++ language.

Video Animations

● ● ● ● ●

Mastering 2d and 3d animations in Adobe After effects and video editing in Adobe premier pro and Davinci resolve, having quite a good experience in it.

UI design

● ● ● ● ●

Basic knowledge of designing user interfaces of Web and mobile applications using Adobe Illustrator.

Ethical Hacking

● ● ● ● ●

Basic knowledge of Network hacking and practiced a few air-crack attacks.

🎓 University Activities

Association for Computer Machinery

- Executive
- Part of the institute's coding culture
- Actively taking part in contests being organized.

Cutting Edge Visionaries

- Executive
- Handling social media
- Editing youtube content
- Actively taking part in Group discussions.

Events

- Infrastructure committee member of SPARSH - Annual cultural fest of SVNIT.
- Infrastructure committee member of InterNIT cricket and Badminton tournament organized in SVNIT.
